Dear 4th Grade Parents and Students,

Congratulations on finishing 4th grade! We have learned a LOT this year together, haven't we? Unfortunately, if you let your brain take a break during the summer months, you will lose a lot of the skills you learned in reading this year. In order to help you remember what you have learned and to retain that information, you will have summer homework in reading. This summer homework will help the transition to 5th grade. This year's summer homework consists of:

- Reading at least twenty minutes a day (see reading challenge)
- Choosing one of the chapter books you read and doing a book report (Book should be more than 100 pages long please!)

This is due the FIRST DAY of school. Students will give this to their 5th grade teacher. It is very important that students do not lose or misplace their summer homework. It is also important that students DO NOT WAIT UNTIL THE LAST MINUTE to complete this work. If they do it little by little, it will help them more than doing it all at once.

Please let us know if you have questions. Thank you for supporting your child's education and success!

Sincerely,

Ms. Hornbeck
Mrs. Oliver
