Join Santiago Christian School’s 2016 Summer Teaching Intern Program

Intern in the Dominican Republic!

About Our Program
You will gain valuable experience in the classroom as a teacher or assistant in our school’s Summer Session for grades K-6. You will see the country’s most beautiful places on weekends and work with students who are learning English as their second language during the week.

Do you need classroom experience?

Do you want to spend a month teaching in the Dominican Republic?

As an intern, you will:
- Gain experience as a classroom teacher
- Learn practical ESL teaching strategies
- Help students achieve their goals
- Experience Dominican culture
- Be immersed in the Spanish language
