

Middle School and High School Hybrid Learning Guidelines

THREE MODELS, ONE MISSION

Committed to offering excellent Christ-centered education in a safe setting

- Our learning model will be based on local health indicators—including the rate of new COVID infections, percentage of positive tests, and hospital capacity—and MINERD regulations.
- We will be prepared to move quickly from one model to another as local indicators change.
- We will do our best to work with school families whose specific situation does not permit a return to campus in a blended on on-campus learning model.

Health & Safety Guidelines

General Measures

Requirements for Everyone

- Use of Masks (masks with filters are prohibited at SCS)
- Maintain Social Distancing
- Frequent Hand washing
- Stay home when sick

Students should bring a personal hygiene kit to school daily which includes:

- Water bottle
- Hand Sanitizer
- Antibacterial Wipes
- Kleenex
- Extra face masks

Health Protocols

When to stay home:

- Any student or staff who has **TESTED POSITIVE** for COVID-19, and/or has had **SYMPTOMS** consistent with COVID-19 illness (fever, cough, shortness of breath, fatigue, new loss of sense of smell and/or taste) should isolate at home.
- Any student or staff who is known to have had **EXPOSURE** (*defined as close contact within 6 ft for more than 15 minutes*) to anyone who has tested positive for COVID-19 within the past 14 days should self-quarantine at home.

QUARANTINE FOR EXPOSURE: 10 days have passed since exposure to COVID-19 positive person and has had no development of symptoms.

Health Protocols

Notification of illness/exposure:

- Parents are responsible to **notify the Health Office** if their child has been exposed to, and/or developed symptoms/tested positive for COVID-19.
- **Health Office will be responsible for contact tracing and notification of parents** for any student who has had potential exposure and needs to quarantine.

Return to school policy:

- At least 24 hours have passed since recovery defined as resolution of fever **without** the use of fever-reducing medications; **AND**
- **A minimum of 1 negative SARS-CoV-2 RT-PCR or antigen test result** has been obtained.

Health Screenings

Arrival Process

- Student entry through **playground gate only**
- **Remain in your car** until screening completed
- **Windows down and masks on** upon arrival
- Temperature check, screening questions
 - Recheck if needed (located near playground)
