easy	myself	soon	zero
eight	never	sorry	
everyone	new	start	
everything	nine	stop	
far	off	taste	
few	Often	tell	

Name: _____

of words

correct: _____

Happy Summer Break!

Our second graders had a busy year learning new math and ELA skills. Mastery of all these skills is extremely important in order to develop a solid foundation. The third grade curriculums will add on to these second grade skills, so any time spent learning or reinforcing these concepts will be very beneficial for your child. Any areas your child has difficulty you may want to give them additional practice. Have your child read at least 30 minutes every day and practice their sight words using our tic tac toe board.

Also, have your child practice their math skills using one of their math workbooks. They can also utilize their ELA books to read and complete related questions and activities.

Thank you for all the help and support you provide your child to be prepared for 3rd grade and successful in the years ahead. Praying that you all get needed rest and time with family this summer!
