Cutting and Gluing

What kind of things will we be cutting and gluing?

- Straight Lines
- Squiggly Lines
- Wavy Lines
- Zig Zag Lines
- Pictures
- Silly Letters
- Silly Symbols
- and more.

Write your name in the box ---->

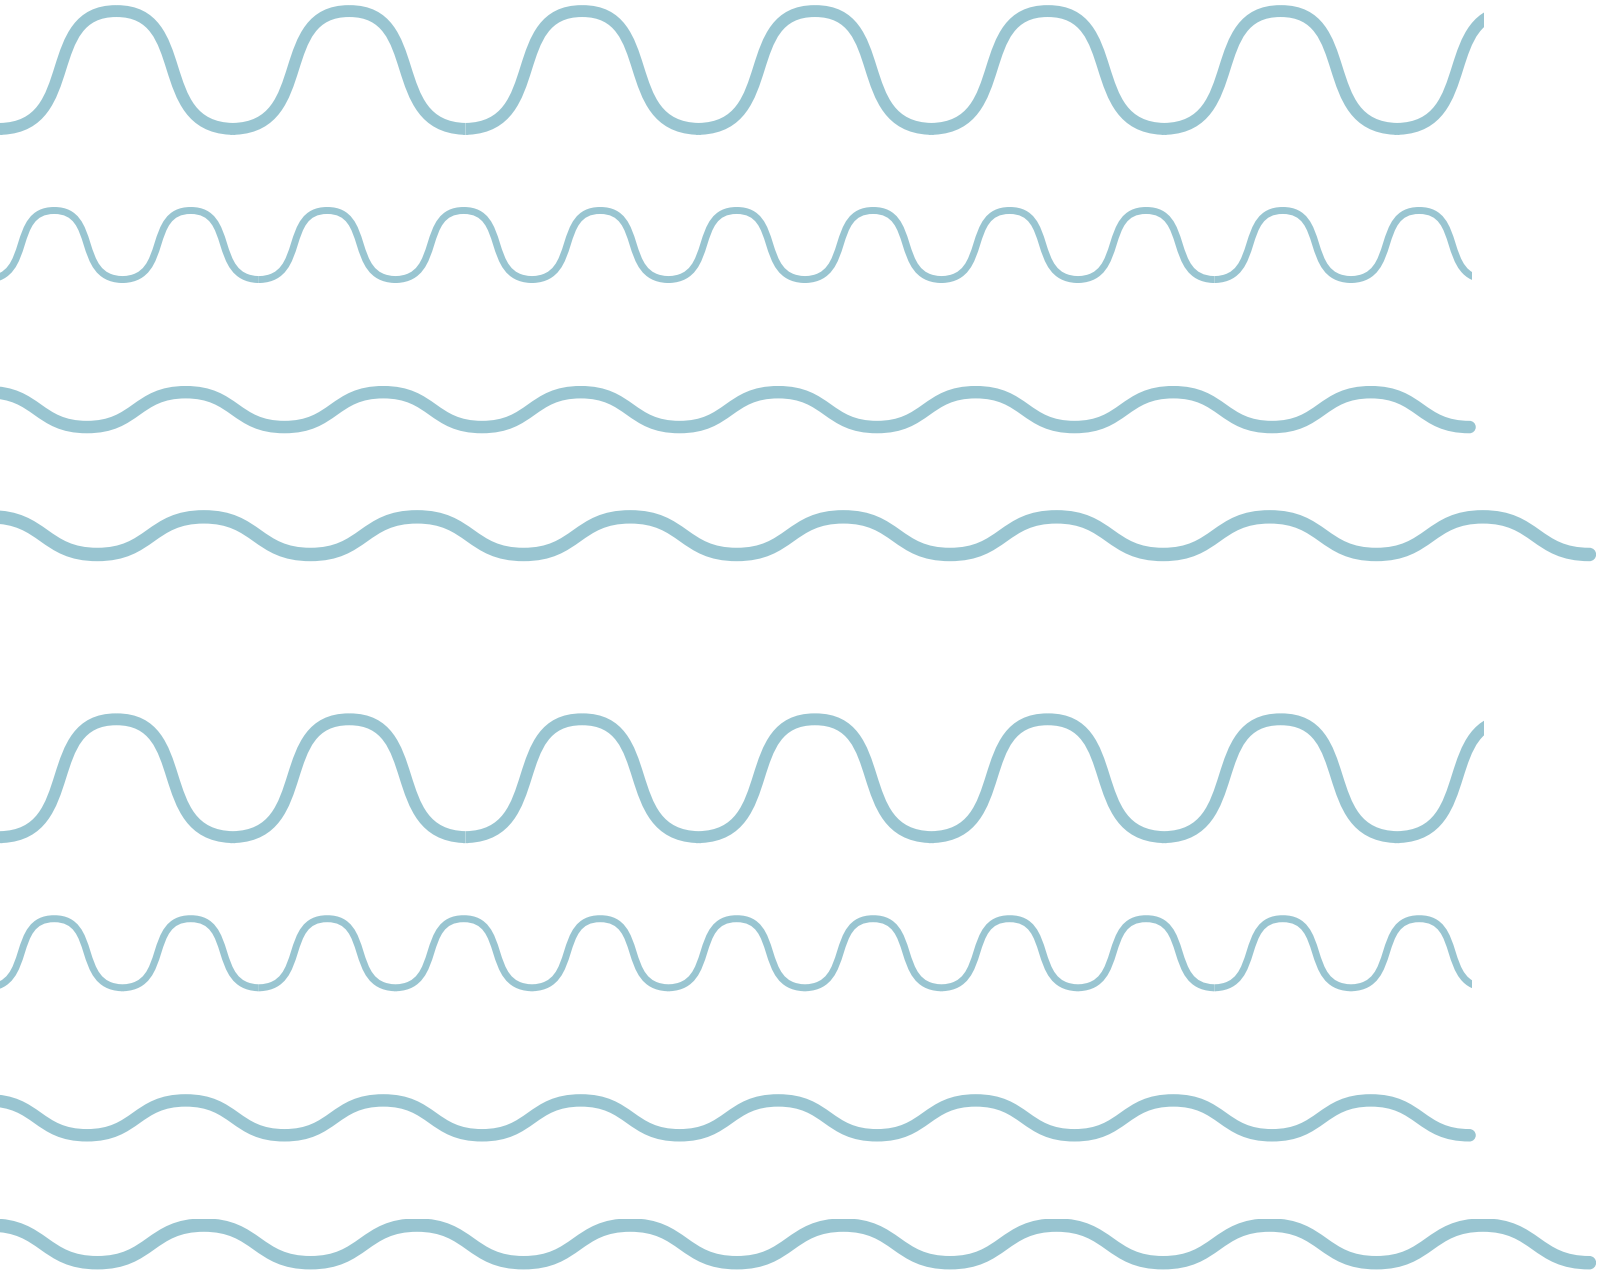

Cut the lines below, do your best to keep your scissors on the silly, squiggly, and swirly lines below.

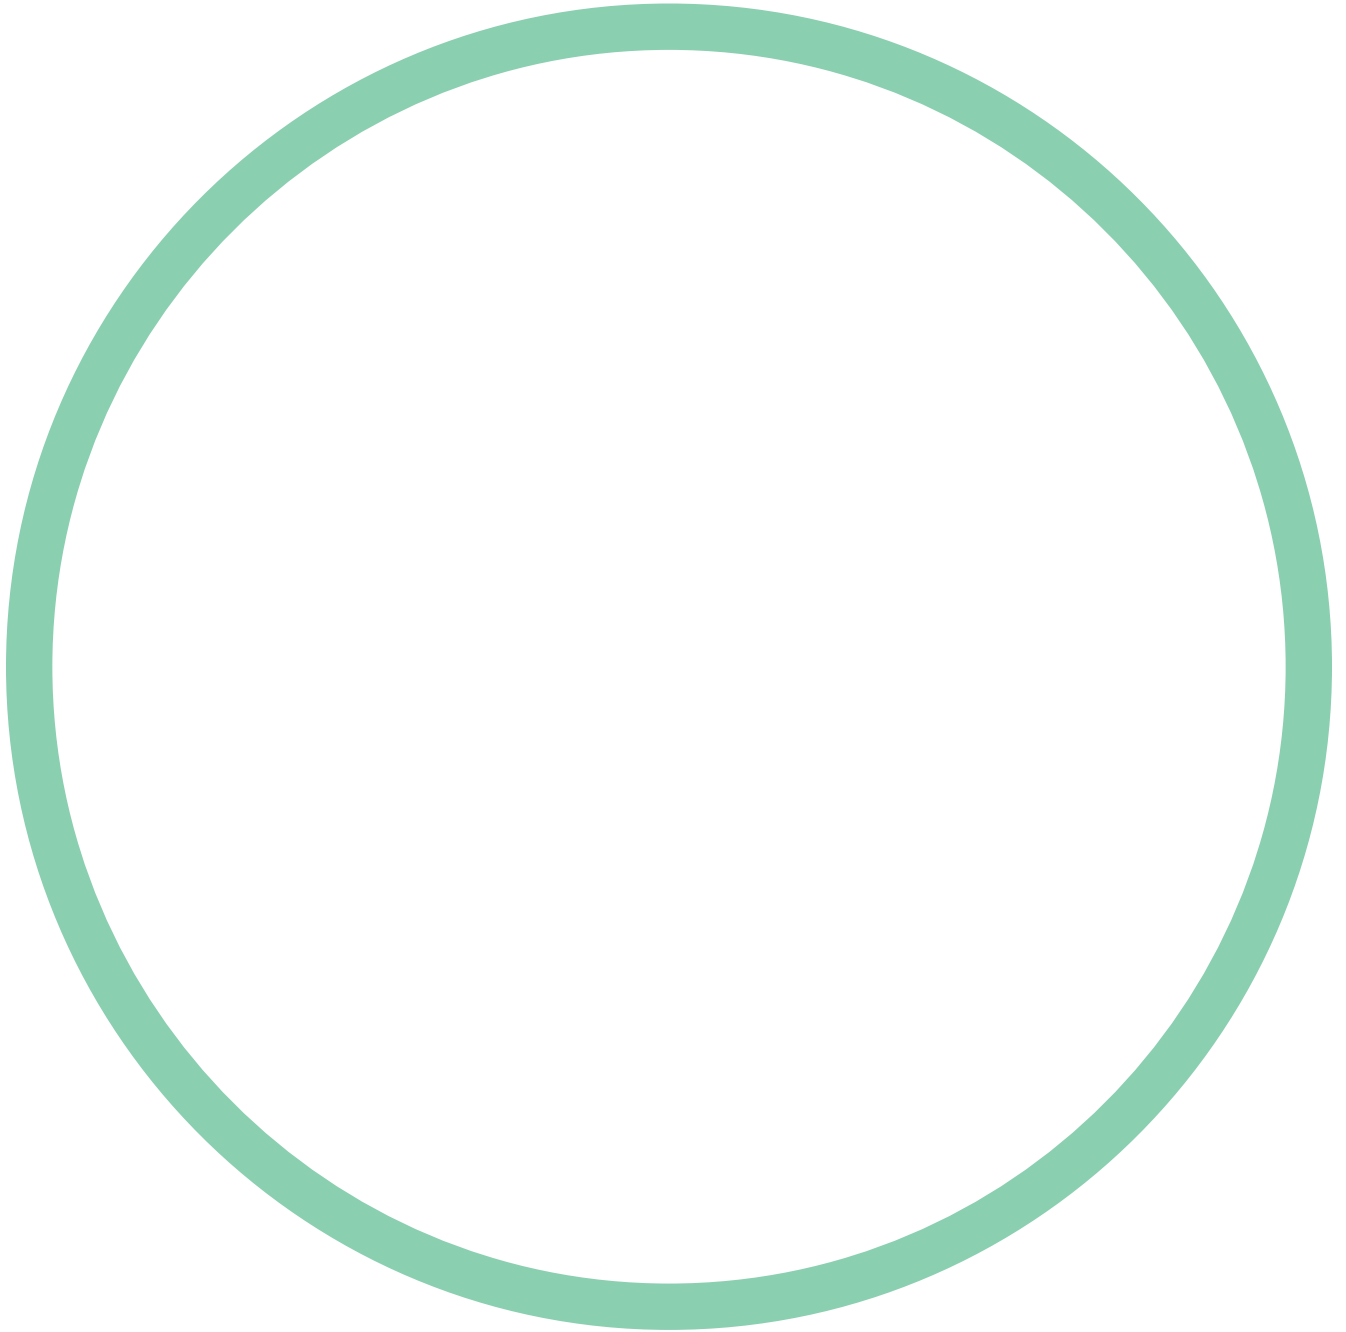

Write your name in the box ---->

Cut the lines below, do your best to keep your scissors on the silly, squiggly, and swirly lines below.

Write your name in the box ---->

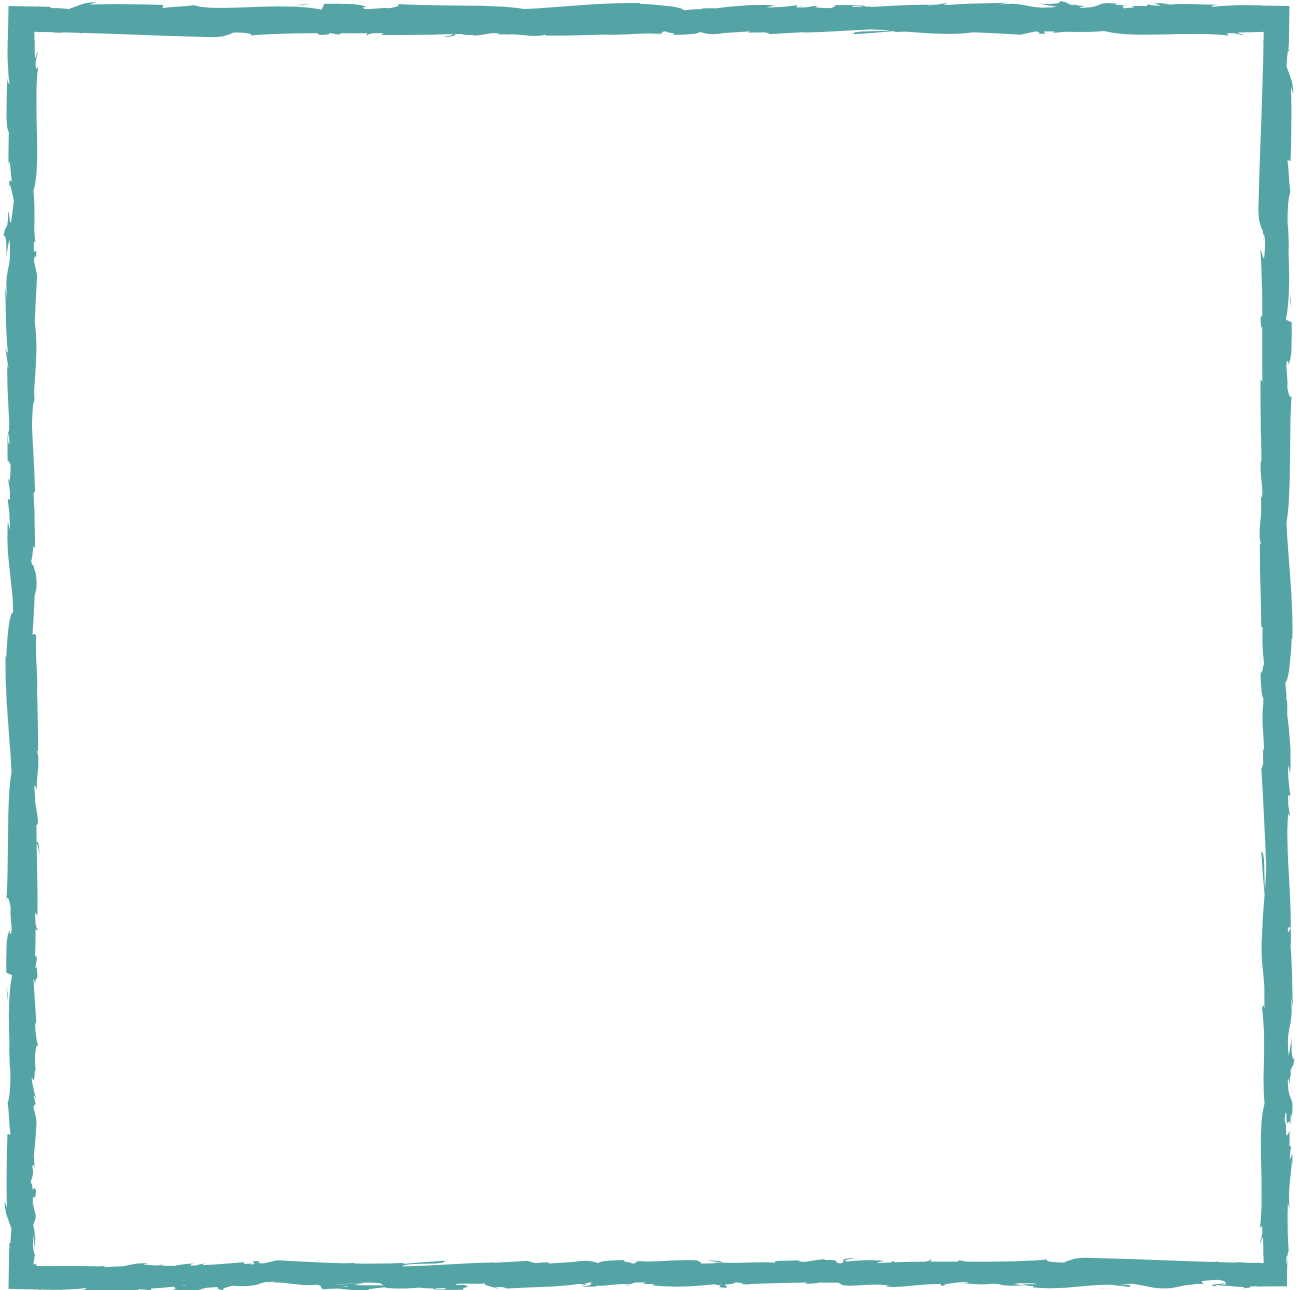

Do your best to cut out the circle. Try to keep your scissors on the line.

Write your name in the box ---->

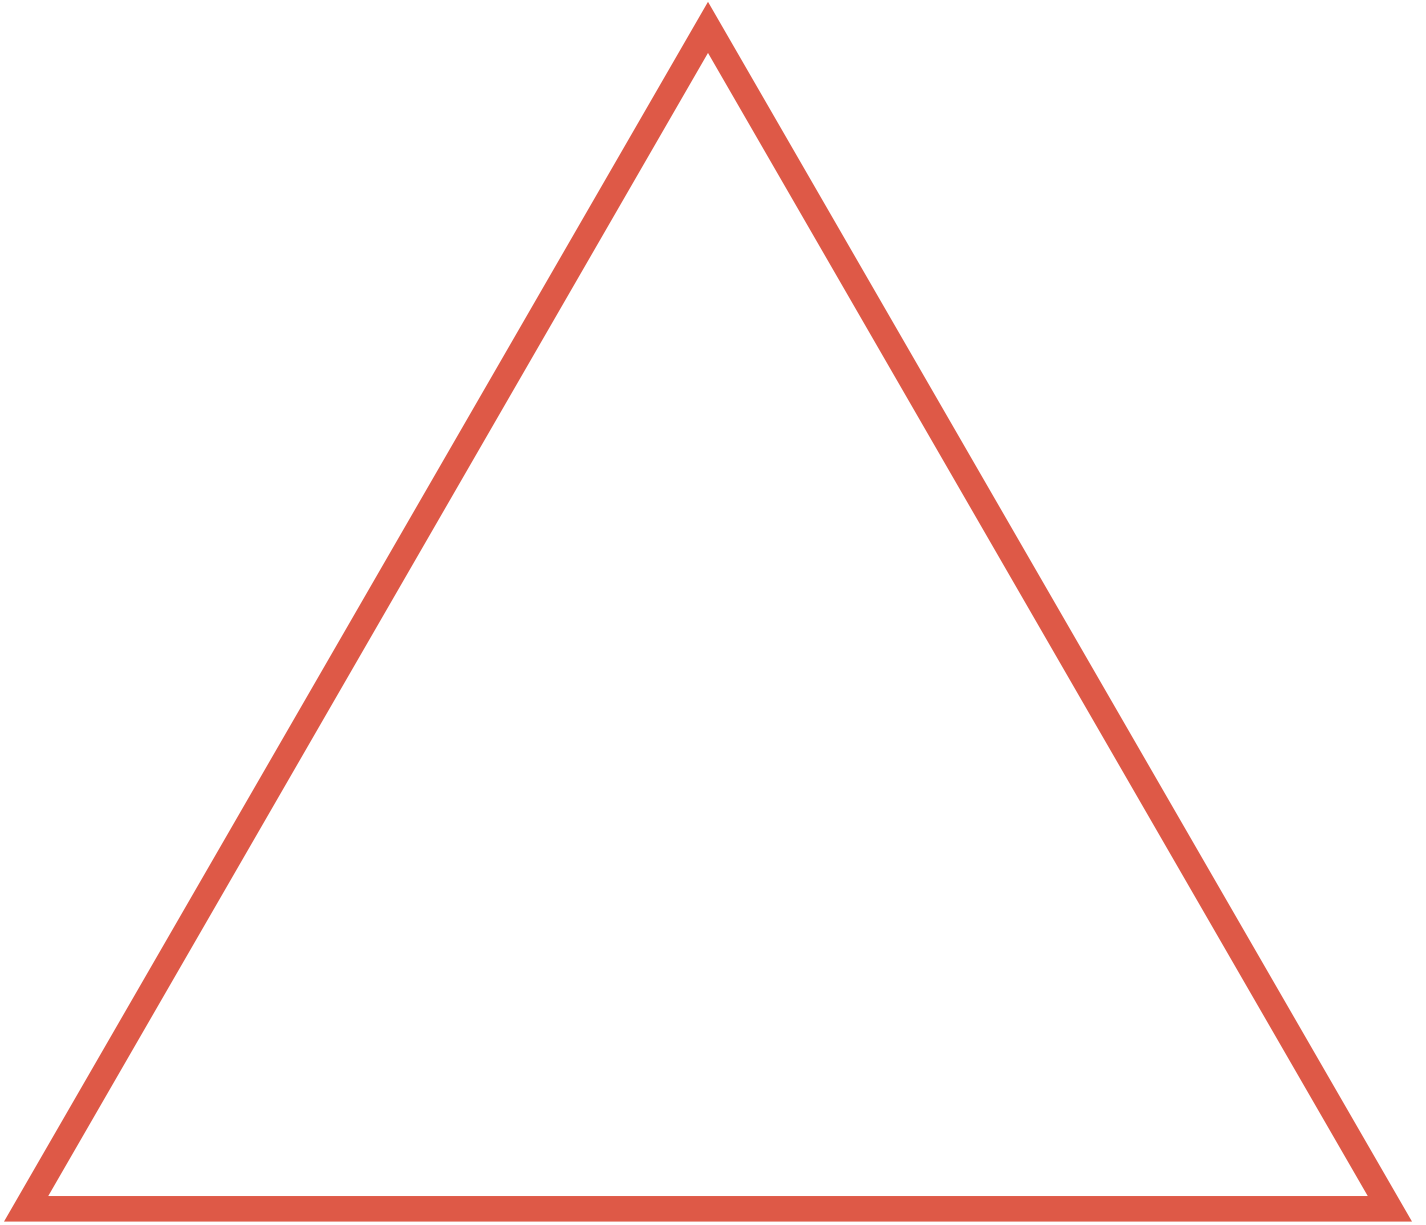

Do your best to cut out the square. Try to keep your scissors on the line.

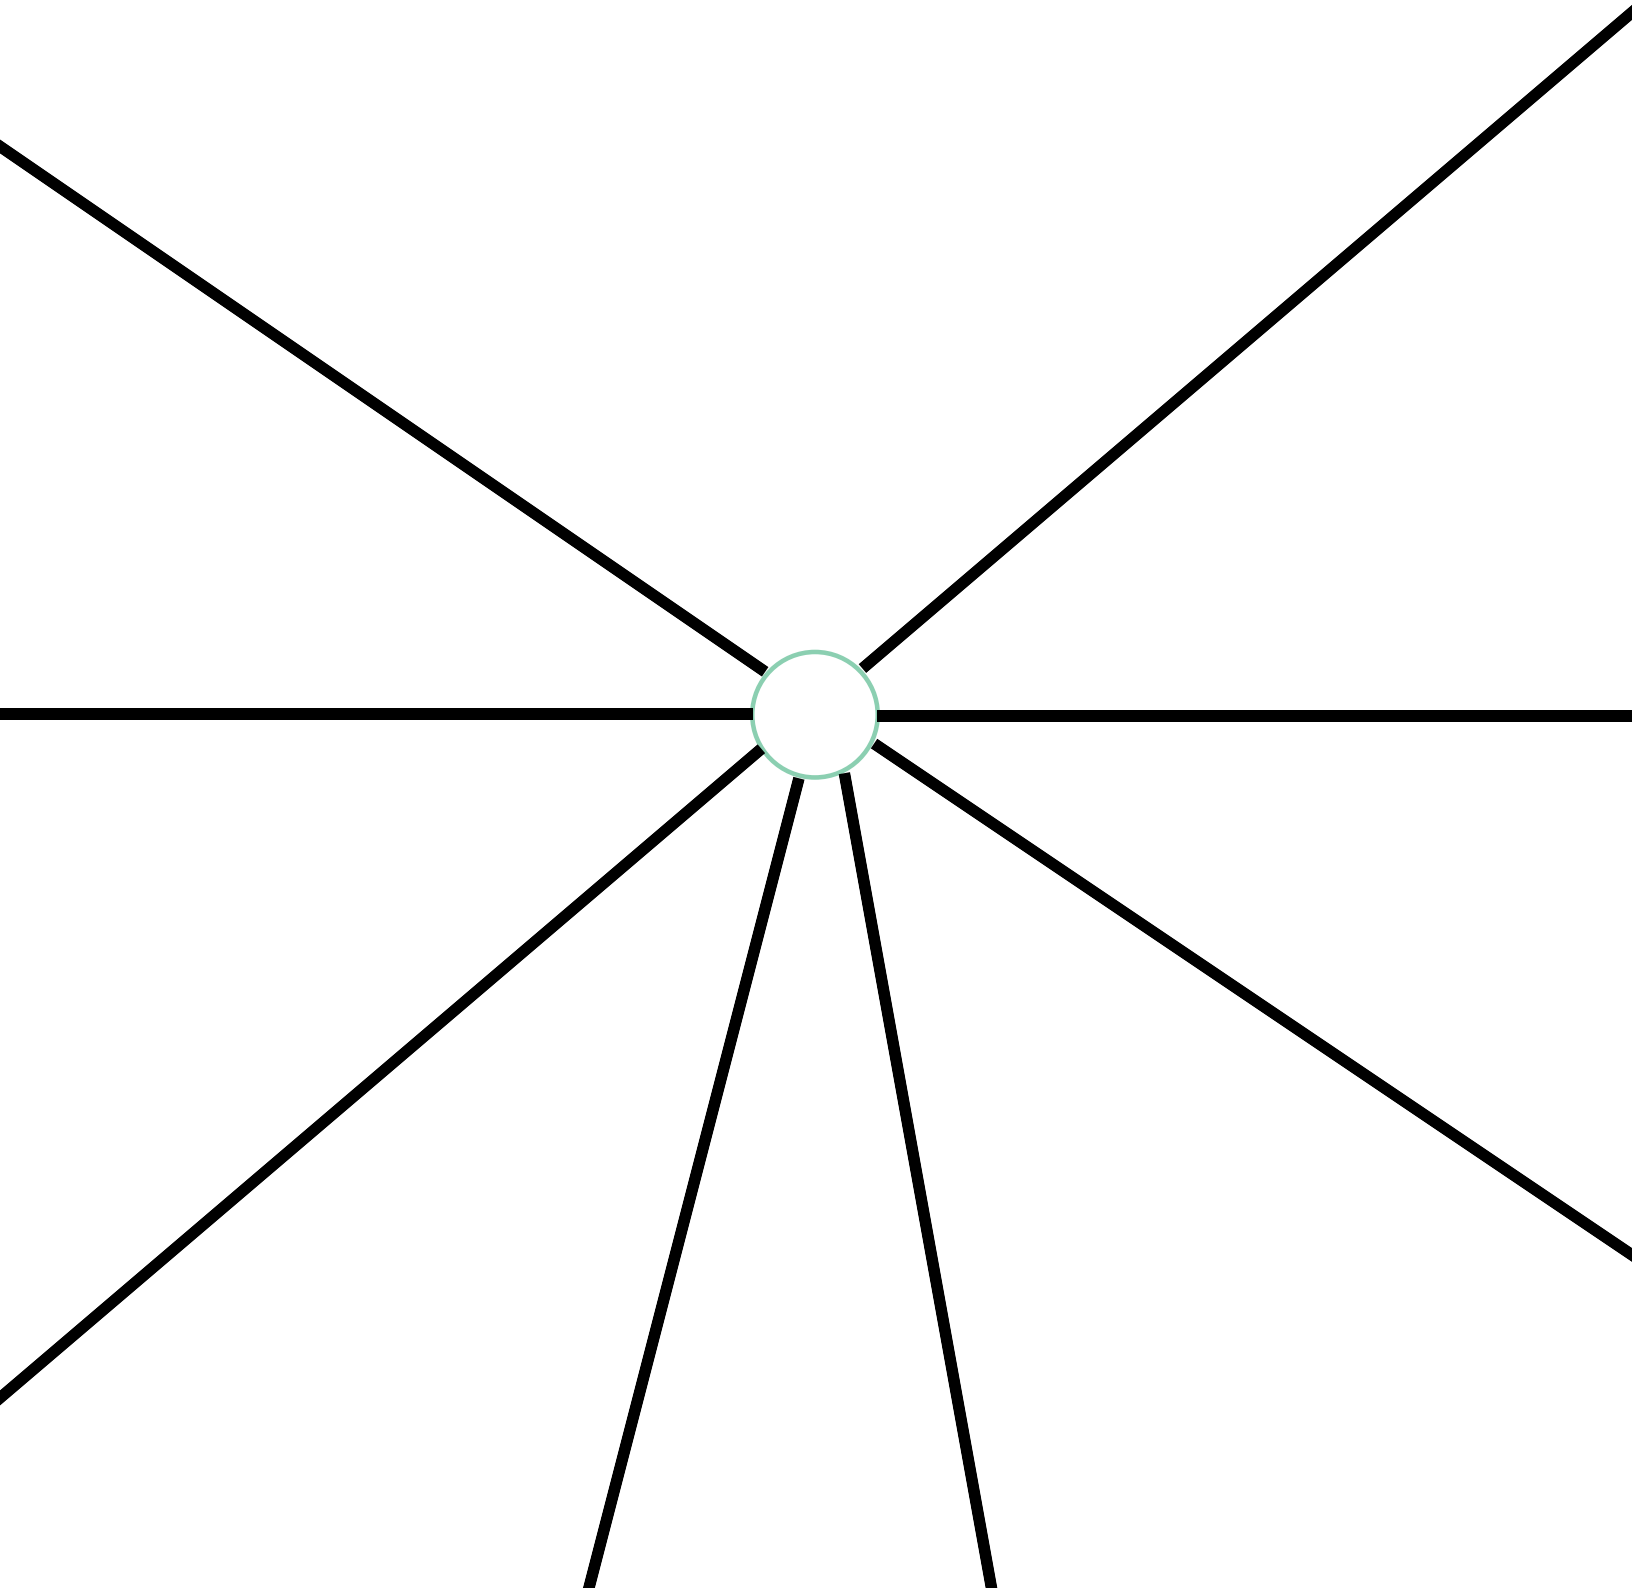

Write your name in the box ---->

Do your best to cut out the triangle. Try to keep your scissors on the line.

Write your name in the box ---->

Cut each line all the way up to the circle in the middle.

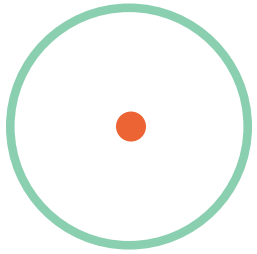

Write your name in the box ---->

Cut out the silly faces that are on the bottom of the page, and glue them next to their match. Remember only put glue on the glue dots so we don't make a mess.

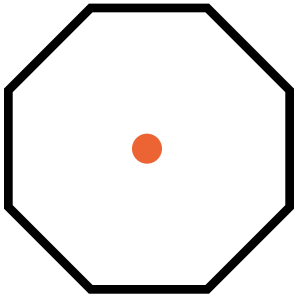

Write your name in the box ---->

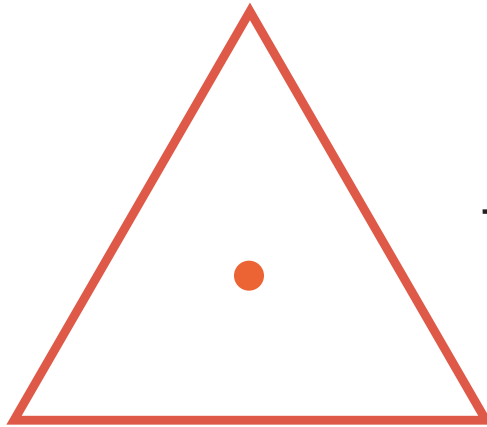

Cut out the shapes that are on the bottom of the page, try to cut neatly on the line. Once you have all the shapes cut, glue them in the correct spot, by matching the shapes. Remember only put glue on the glue dots.

Write your name in the box ---->

Draw a picture on your puzzles pieces and then cut them out. Once they are cut out, mix your pieces up and put them back together again. Can you do the puzzle you just created? Glue them on the next page, to create your puzzle.

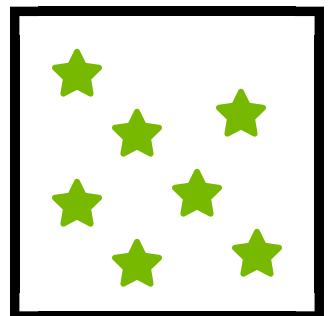

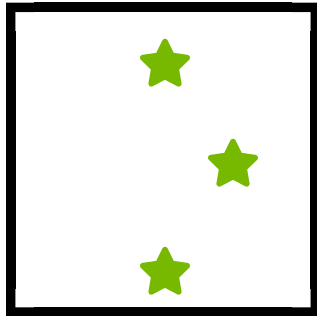

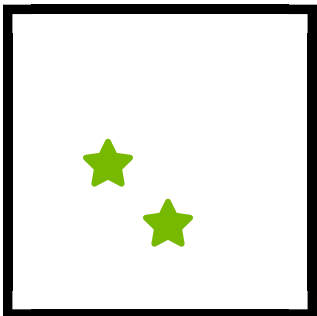

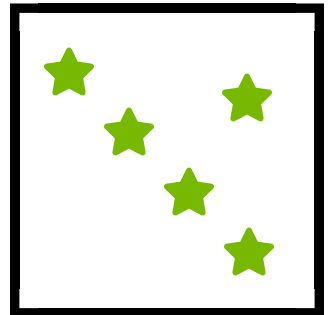

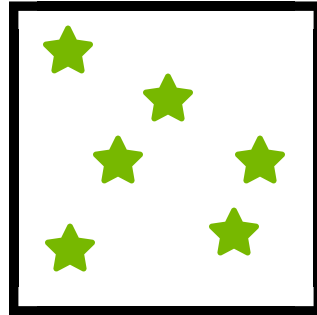

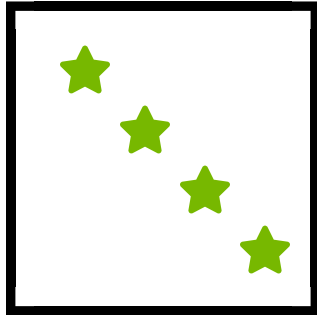

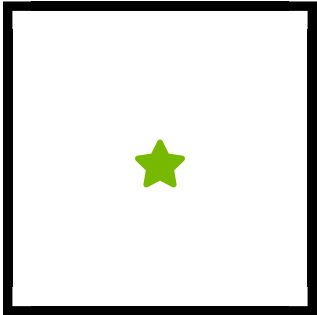

Write your name in the box ---->

Glue your puzzles pieces together, but before we can glue we need glue dots. Draw your own dots on the page where you want your pieces to go. Remember we can only put glue on our glue dots and this time, you get to create your own glue dots. Don't make the glue dots to big.

Write your name in the box ---->

Cut the numbers out, then count the number of stars in each box. Glue the numbers under the correct box. Match the number to the number of objects.

Write your name in the box ---->

Cut out the different stars. Try your best keep your scissors steady. Keep the stars for the next page.

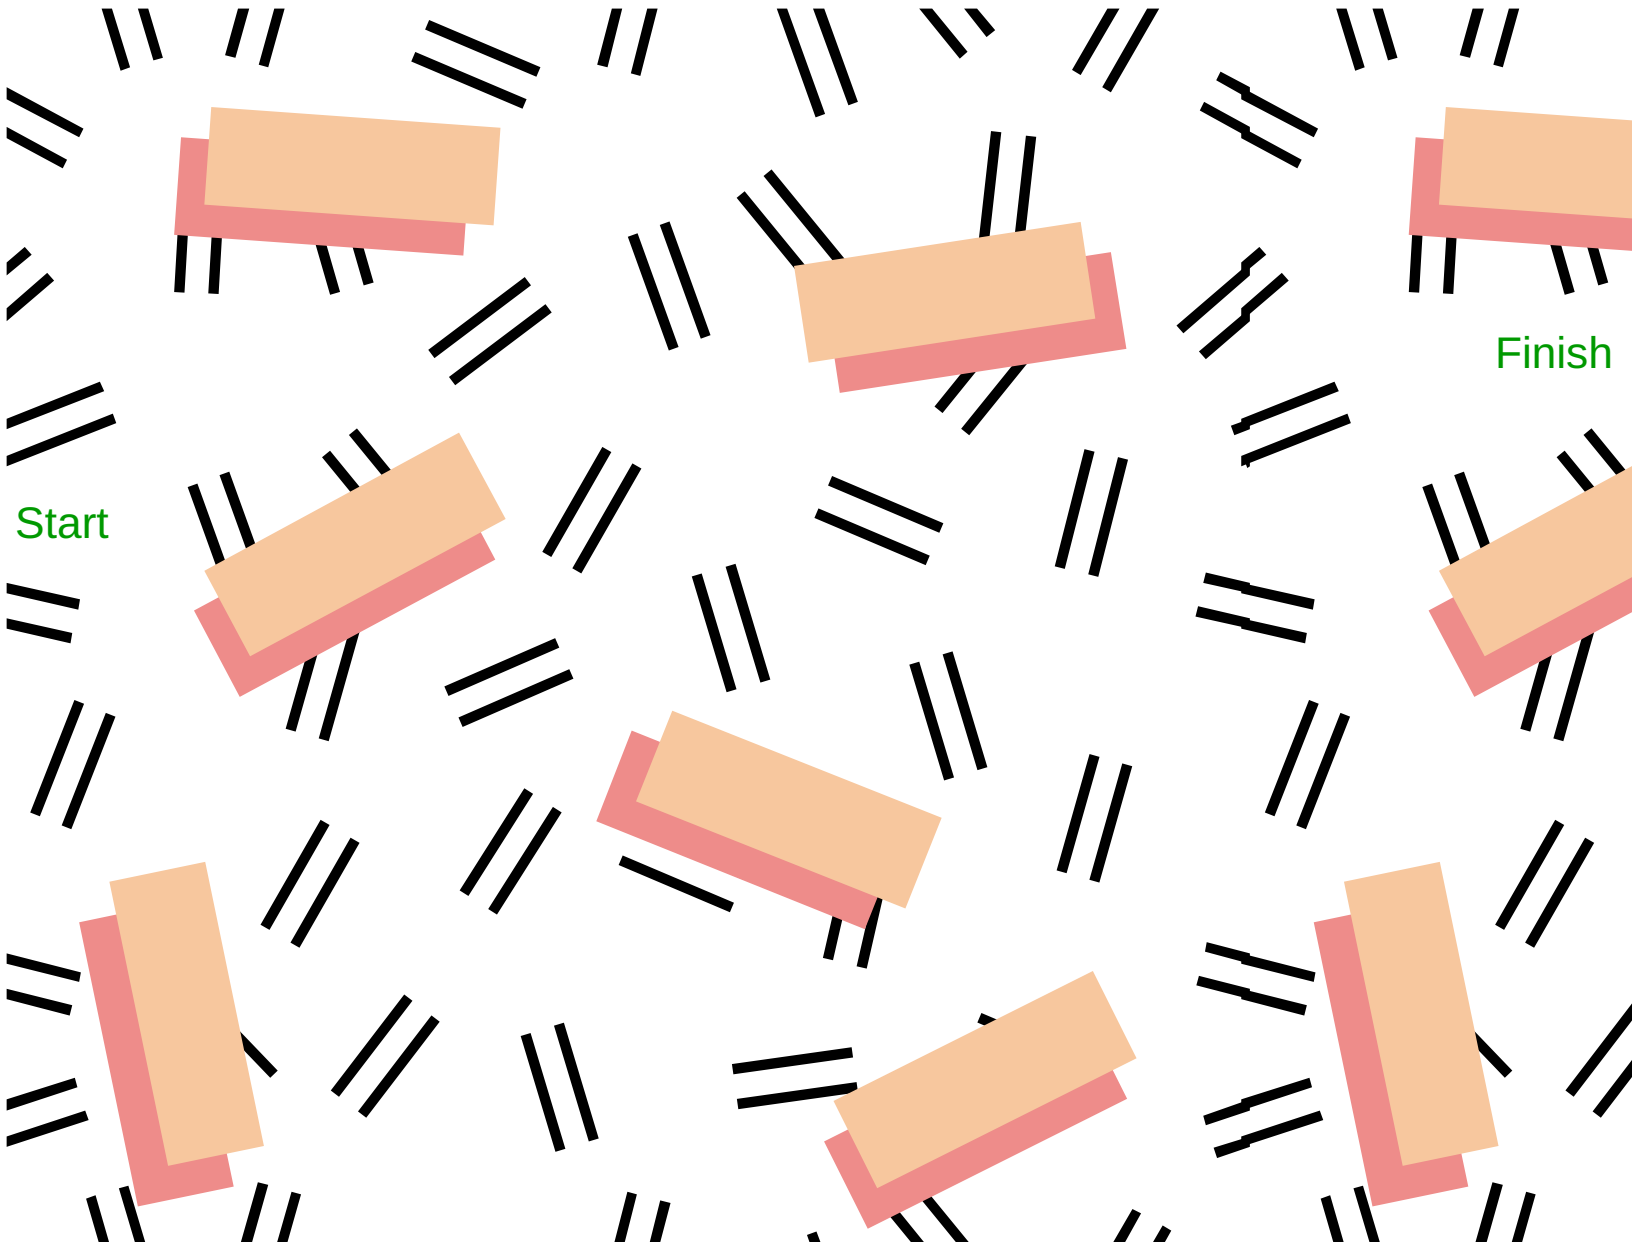

Write your name in the box ---->

Glue the stars on the dots that are the same color as the stars. Match the colors.
Remember to only glue on the dots.

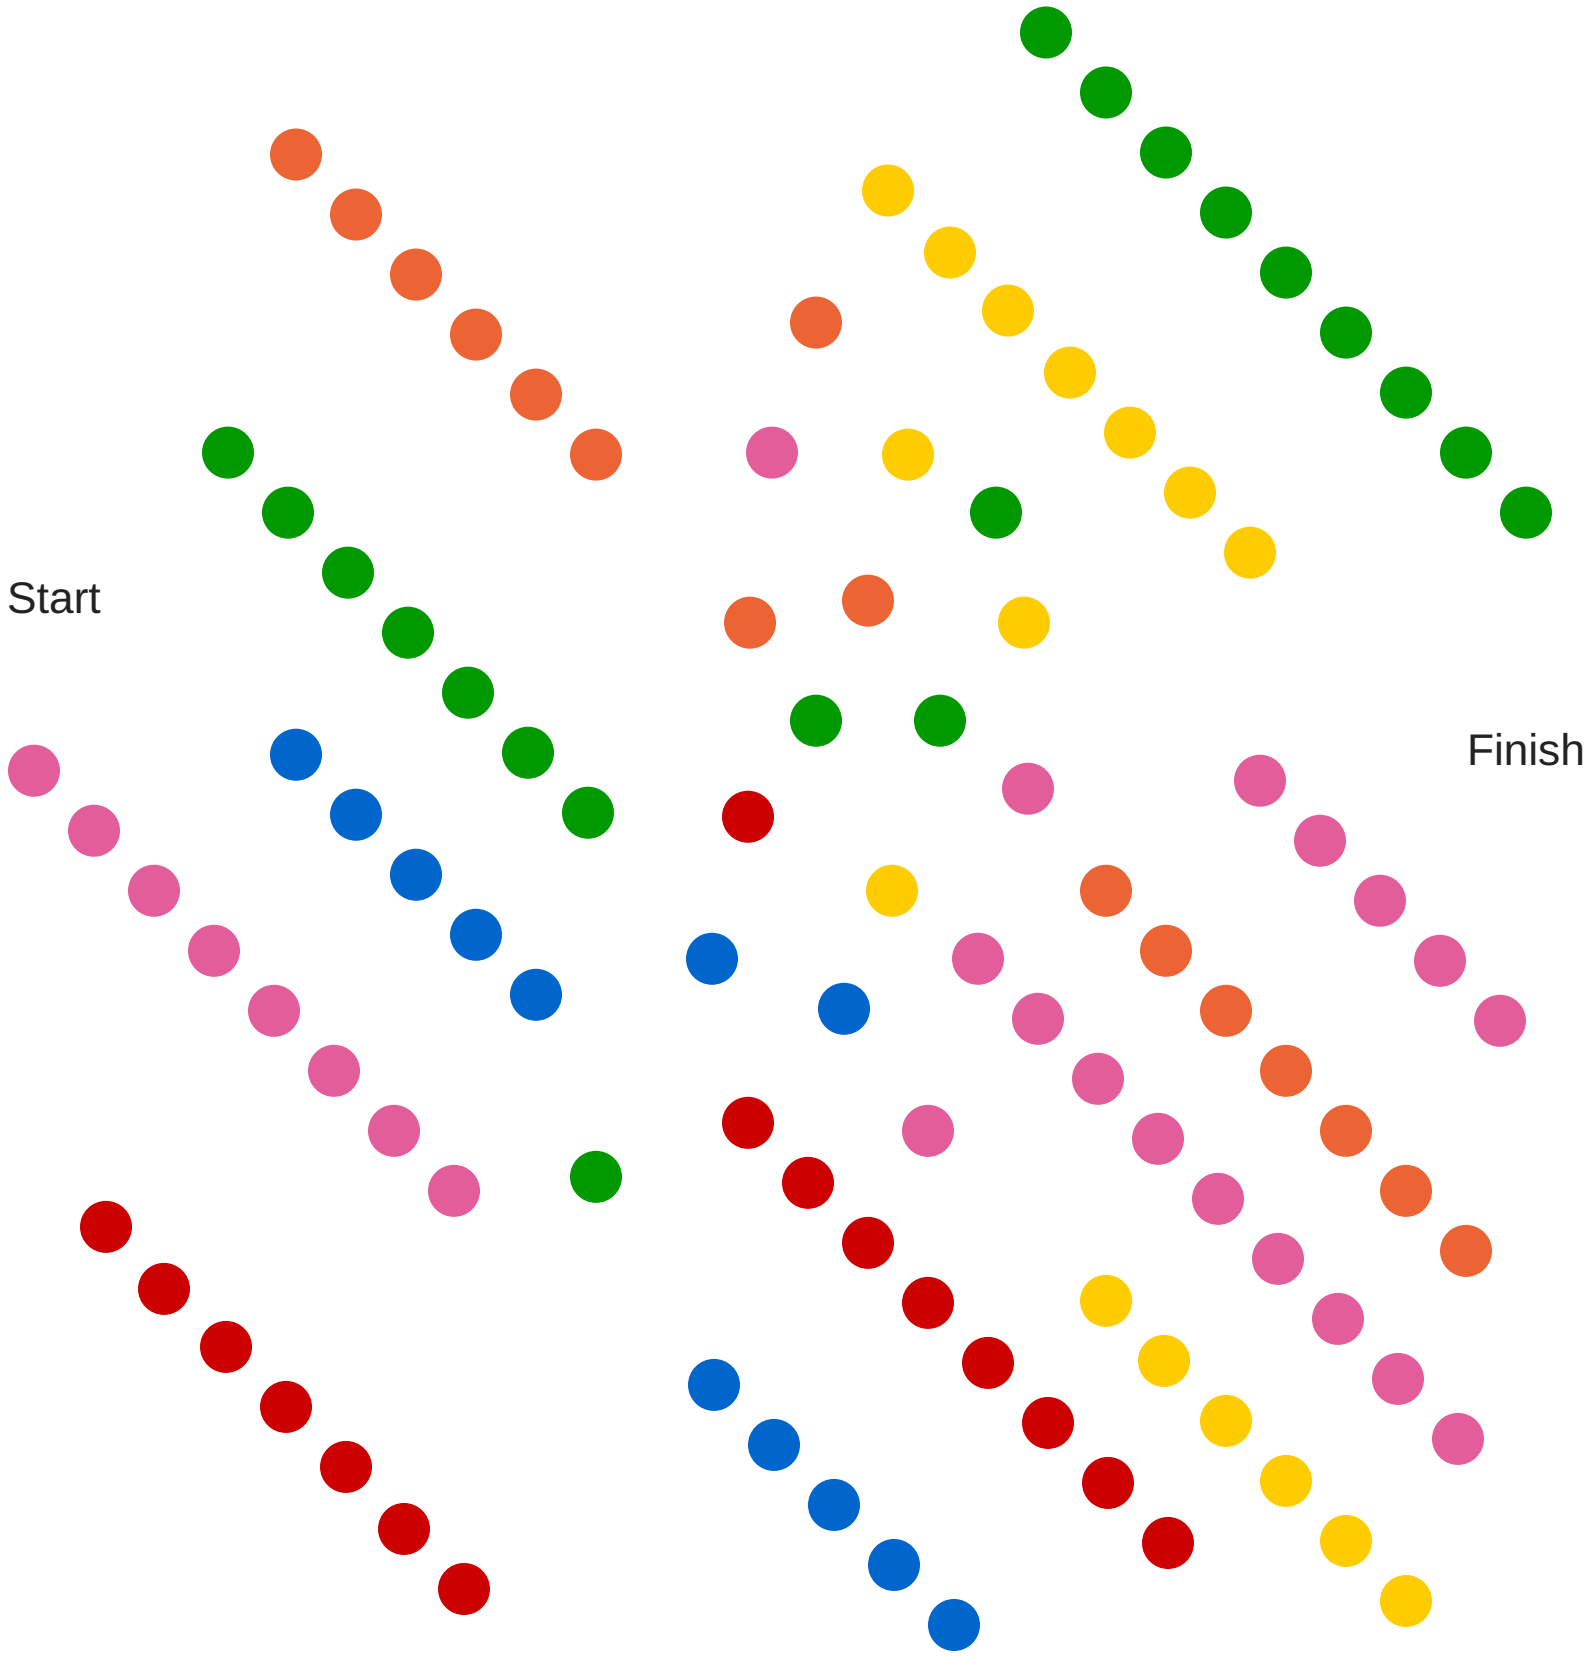

Write your name in the box ---->

Use your scissors, try to make it through the mess of objects with out cutting any of them.

Write your name in the box ---->

Start on the right side of the paper with your scissors and cut all the way to the left side without cutting an object. Try to make your way through the dots without cutting any of them.

Write your name in the box ---->

Sort the letters, cut out the letters and put them in the right box.
